

De. L I V I N G

WHO WE ARE

- For over 10 years, our group has been present in the US market, delivering excellence in products and services.
- Privately owned.
- Del Living is specialized in high-end custom cabinetry focused on luxury homes.
- Our team has over 12 architects and interior designers to support your project.
- Del Galleria: Our sister company focuses on high-end furniture.
- Our mission is to empower innovation, inspire creativity, and deliver exceptional value and luxury to our customers.

OUR STRUCTURE

- Main factory is located in the south region of Brazil.
- Brazil is the largest producer of cabinets in Latin America, and a major world player in the wood industry.
- Main facility has over 86,000 square feet and is ISO 14001 and ISO 9000 certified.
- Innovation technology with cutting-edge machinery.
- Precision in finish and efficiency in the manufacturing process with material waste reduction.

PERSONALIZATION AND CUSTOMIZATION

- Our projects are based on custom, unique style by adding customized colors, materials, and luxury accessories.
- We use the most modern software in the industry, which brings accuracy to the project.
- More than 120 colors and 654 colors of lacquer are available.

SUSTAINABILITY

- Our raw material is ethically sourced because we are concerned with the impact on the environment.
- All wood used in the manufacturing of our products is CARB2 compliant, and comes from FSC-certified forests.
- Our high-end machinery helps reduce waste by precision in cutting.

The mark of responsible forestry

PREMIUM MATERIALS & CRAFTSMANSHIP

- MDF- durable and timeless materials, easy for maintenance over decades.
- We combine glass, aluminum, and MDF materials in many options.
- Plywood options.
- Wood upon request.
- European hardwares.

OUR UNIQUENESS

- Our products' diversity extends far beyond cabinets. We also produce customized aluminum and glass combination doors focusing on special finishes for your cabinetry.
- By joining customization with a refined finish, we use a wide variety of colors and exclusive models, giving your place a fresh look.

OUR UNIQUENESS

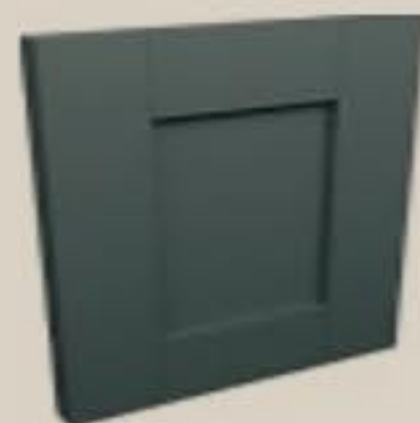

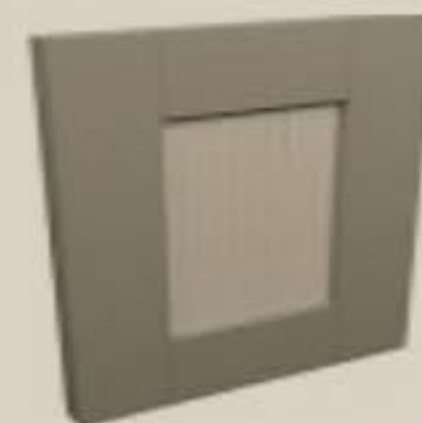

OUR UNIQUENESS

- By having our own manufacturing, our customized metalwork with exquisite workmanship gives your home a perfect harmonization of colors while finishing it with a noble touch.
- Our painted meta/Tic Details also guarantee a perfect fit with your cabinets.

HOW WE COLLABORATE WITH REALTORS

- We work in partnership to enhance your customer investment in real estate.
- We will add value to your sales by delighting your customer.
- Our commission structure is one of the highest in the market.
- We have a team to support you throughout the process.

HOW WE COLLABORATE WITH BUILDERS

- We will lead the entire cabinetry process from its concept to post-installation.
- Our process in identifying the location of each cabinetry section, it will facilitate the construction process.
- Our team is well trained to maintain the entire area clean and organized during and after installation.
- While you focus on the construction, we focus on the entire cabinetry project.

OUR WORK PROCESS

- **Phase 1:** Our sales consult and architects will meet with you for a briefing meeting and site measurements.
- **Phase 2:** presentation of state-of-the-art 3d renders for your customer approval, if necessary adjustments will be made.
- **Phase 3:** Upon contract approval, we will start the manufacturing process.
- Manufacturing and installation timeline is between 45 days and 90 days.

OUR CUSTOMER SERVICE

- We allocate one project manager to manage all steps of the process. They will update you regularly about the progress of the project and answer any questions or concerns.
- Post-installation, our assembly team will be available for any assistance for 3 months.
- Warranty of 5 years.
